FEBRUARY 1992

1992 FCA CONVENTION UPDATE

Well, here it is February already, and the Nationals will be here in a little over six months. The snow will probably be melted by then. Our plans are going very well and we hope you are starting to make yours. Hotel reservations and convention registration will be in next month's issue.

As space is somewhat limited, this will be a brief outline and details will follow each month.

Thursday, we will have a bus tour to two of Milwaukee's finest shopping centers. Then Friday it's back on the bus and off to the Mitchell Park Conservatory and Milwaukee Public Museum.

To assist in making your plans, (In case you didn't save your Falcon Bulletin like you're supposed to) the phone numbers are as follows;

PRESIDENT'S MESSAGE

There isn't much going on this time of year. It sort of feels like the calm before the storm. Hopefully some of you are showing your cars at some indoor shows.

I'm having trouble finding something to write about since there isn't much going on--and my daughter said to remind all the guys to buy roses for their wives for Valentine's Day. On that same note, maybe they could buy us some good Falcon "stuff" from the Club Store.

We are hoping to have plans for the 1993 National Meet finalized soon. Catch you later.--Jim Hatcher, President, FCA

FALCONS ANONYMOUS

Does anyone else out there feel like things are getting out of hand? Do you buy generic toilet paper instead of Charmin so you can save enough pennies to buy that Sprint tach you want so bad? Did you start out with one Falcon, simply for cheap transportation, and then after a year or so, decided it would be nice to have a parts car? So you bought the parts car and it seemed like it was only a couple of months, when you looked outside and noticed your two Falcons were closer to rabbits because now there are six or eight cars in your back yard? And they all need a little work, but they are much too nice to be parts cars. To cut them up would be a crime. So, it's off to the junk yard to search for those precious parts to fix all your cars. But then things really start to get bad and you start buying parts for cars you don't even own yet, but would some day like to! Did you just have to move from your large house without a garage, after four years of Falconitis, and discovered it almost impossible to find a ten car garage with an attached studio apartment? Well, maybe it's time to bite the bullet and stop buying the newspaper (classified ads), take the long way to work (five mile detour around the junk yards), and make all your friends swear they won't try to or tell you where to buy anything. Do you think you should quit the Falcon Club and all activities related to these wonderful little cars? Maybe we should start a national chapter of FALCONS ANONYMOUS before other members like myself must go to such drastic measures to stop this senseless addiction. Coming soon: The Twelve Steps and Traditions to Recovery.

TECHNICAL TIPS—ENGINE AND TRANS SWAP

I RECENTLY ENBARKED ON THE INSTALLATION OF A LATER MODEL V-8 AND C4 TRANSMISSION INTO A 63 SEDAN. MY GOAL WAS TO USE AS MANY ORIGINAL FORD DESIGN PARTS AS POSSIBLE, INCLUDING A COLUMN SHIFTER.

AS PER THE USUAL FORD PRATICE THIS IS NOT A DIRECT BOLT-IN OPERATION WITHOUT MODIFICATIONS EVEN THOUGH THE PARTS LOOK IDENTICAL AT FIRT GLANCE.

THANKS TO MY STOCKPILE OF OLDER SALVAGED PARTS, A 65 COLUMN FROM A FELLOW FCA MEMBER, AND AN INTACT 64 FALCON DONATED BY A NEIGHBOR(!) I HAVE IDENTIFIED THE CHANGES FORD MADE TO THE RELATED PARTS. AS I HAVE NO PARTS KNOWN TO HAVE BEEN FROM A 62 IT IS ASSUMED THEY WERE IDENTICAL.

INTERCHANGE CHART FOR 60-65 FALCON AUTOMATIC SHIFTERS

YEAR	MAST JACKET	INSIDE TUBE	SHIFTER HOUSING	SWITCH HOUSING	# OF WIRES T/S	WIRES HORN
60	---	---	---	C00D	6	1
61	SAME	SAME	SAME	C1DD	6	1
62	?	?	?	?	6	1
63	SAME	SAME	SAME	C3GA A	6B	1B
64	C	C	SAME	SAME	6B	1B
65	D	E	SAME	C5DA F	6G	2G

NOTES:

- A - HOUSING IS DEEPER, MAY CAUSE PROBLEMS IF USED ON OLDER COLUMNS.
- B - T/S SWITCH & HORN ACTIVATOR DESIGN/CONSTRUCTION CHANGED, WILL NOT BACKDATE TO OLDER HOUSINGS.
- C - SHORTER IN LENGTH BUT OTHERWISE THE SAME.
- D - SAFETY SWITCH REMOVED OTHERWISE SAME AS 64.
- E - CAM OF SAFETY SWITCH REMOVED OTHERWISE SAME AS 64.
- F - REQUIRED FOR C4 TRASMISSION INSTALLATION! SHIFTER GATE ON REAR OF HOUSING NEW, LARGER, WILL NOT INTERCHANGE. NEW STYLE T/S SWITCH C50A (FAIRLANE ORIGIN) W/ 2 HORN ACTIVATORS. WILL NOT INTERCHANGE TO OLDER FALCON HOUSINGS.
- G - WIRE ENDS NO LONGER HAVE INDIVIDUAL BULLET ENDS, NOW GATHERED INTO TWO "CANNON" PLUGS. WILL NOT BACKDATE TO OLDER DASH WIRING HARNESSSES WITHOUT MODIFICATIONS. SECOND HORN WIRE MAY CAUSE ELECTRICAL SHORT WHEN AFTERMARKET HORN KIT DESIGNED FOR 60-64 FALCON IS USED.

GENERAL: TO THE BEST OF MY KNOWLEDGE THE LEVER AT THE BOTTOM OF THE COLUMN AND THE ROD (LINK) RUNNING BETWEEN THAT AND THE TRANSMISSION ARE THE SAME FOR ALL YEARS, 60-65.

TECH TIP FOLLOW UP: REPLACEMENT BRAKE CABLES FOR FALCONS

Thanks to all of those who responded to my recent request for help in locating replacement parking brake cables. Most mentioned that Obsolete Ford Parts carries a rear cable that has grease fittings. These were much needed items on the OEM units.

Other mentioned sources for rear cables were FCA members (used) and vendors located in Texas and on the West Coast.

Only one letter covered the replacement front cable which was also from Obsolete Ford Parts. This cable differs from the original by having a plastic cover and chromed metal end caps.--Roger C. Roberts, Columbus, OH

THE LONE STAR CHAPTER is sponsoring a Regional Meet on June 12-13. More information will be available soon. The January meeting of the chapter was held in Garland, TX on January 19.

THE MID AMERICA CHAPTER held its December meeting on December 7 in Lenexa, KS. A feature of the annual event was the Chinese grab bag gift exchange. The chapter, along with Olathe Ford, will be sponsoring an All Ford Show in 1992, date--Sunday, June 7, 1992. Rob Nichols from Australia was made an honorary member of the Chapter. The January meeting was held in Olathe, KS, with 34 members present and 4 Falcons driven. The February meeting will be on the 7th in Olathe.

THE MILE HI CHAPTER held its election/birthday party in November. Officers are: President--Ron Brown; Vice-Pres.--Bill Clements; Secretary--Dan Frische; and Treasurer--Rich Carmer.
